ABOUT THE PRODUCT

BentoBuild is your toolkit for modular living. Our design-forward systems focus on functionality, maximizing space and integrate seamlessly into your environment. **A simple solution for every space.**

QUALITY CONSTRUCTION

By using high **quality materials** that are responsibly sourced we build systems meant to **last a lifetime.**

FLEXIBLE CONFIGURATIONS

Our system is **designed** to move. Cabinets, wall panels, countertops, and drawers can all be easily **moved, replaced and reconfigured.**

The number of configurations possible within our system is virtually endless.

SEAMLESS INSTALLATION

Speed, quality and **ease of installation** are integral to our design and service.

The BentoBuild System **integrates seamlessly, anywhere.**

PROJECT SCALABILITY

We use state of the art poduction techniques and machinery to provide a **quality product** in our completely **automated facility in the USA.**
